U. S. Atomic Energy Commission  
Washington, D. C. 20545

DOCKET NO. 50-286

Attention: Chief, Public Proceedings Board

Dear Sir:

I wish to file with the Commission the enclosed Petition For Leave To Intervene as a party at the Public Hearing scheduled for March 25, 1969 at Montrose, New York to consider the application of Consolidated Edison Company for a permit to construct a third nuclear power plant at Indian Point, Buchanan, New York.

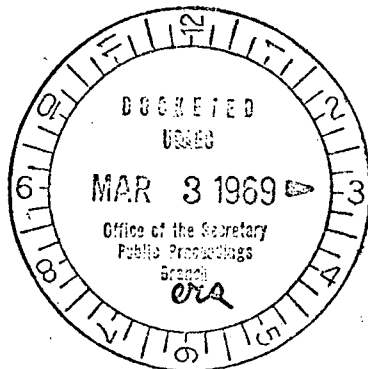

Would you please send me the following:

- 1) A copy of the "Safety Evaluation Report" by the Commission's Regulatory staff concerning this project; and
- 2) Two (2) copies of the proper documents for Subpoenas to be issued by the AEC (as stipulated in Sec. 2.720 of the Commission's "Rules of Practice") for two witnesses whom I intend to call for appearance at the Hearing.

Please send instructions on how and by whom the Subpoenas are to be served.

Sincerely,

Mary Hays Weik
