Re: Application by Consolidated  
Edison Company of New York  
to construct Indian Point  
Nuclear Reactor # 3  
Docket No. 50-286

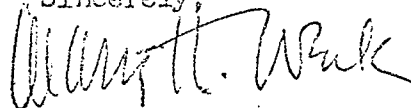

Dear Sir:

I am in receipt of your notice reconvening the Hearing on the application cited above, and I expect to be present at these sessions.

Since the date indicated by Mr. Troy Connor, Jr. of the AEC staff, in his phone call to me from Washington prior to the Montrose sessions, as the date I could expect for presentation of my intervention and therefore the date I should give to witnesses subpoenaed to appear at the hearings; and since this date was instead turned over to the Applicant and to the lawyer for the Citizens Committee For Protection of the Environment; and since, as a party to the proceedings, my time is equally valuable to that of the other parties; I would like to know:

- 1) On what day of the coming hearings I may expect my intervention to be heard, so that
- 2) I may notify my witnesses of the date on which they shall appear.

Sincerely,

Mary Hays Weik
