Re: Termination of NRC Materials License Number 06-31366-01  
Docket Number 030-38025

REGION I

Dear Sir or Madam:

I request that your offices terminate the above referenced Nuclear Materials License, which was granted to my office in June of last year. The present economic climate has forced me to reconsider the viability of opening and maintaining a nuclear cardiac imaging service. No equipment for the service had been acquired nor has any radioactive material come on site.

Should you have any questions or desire additional information regarding this matter and our private office, please contact me at 860-649-7557.

Respectfully submitted,

*Joseph Hanna, MD*
