In re: Consolidated Edison Company of
New York, Inc.
Docket No. 50-286

Dear Mr. Jensch:

In view of circumstances which have arisen since the pre-hearing conference on March 11, 1969, our client, The Citizens Committee for the Protection of the Environment, will not be represented at the hearing in the above-captioned matter on March 25 at Montrose, New York.

In accordance with the understanding reached at the pre-hearing conference, we intend to present testimony and to cross-examine the Applicant's and Staff's witnesses at a resumed session of the hearing at a later date. I would hope that a date for the resumption of the hearing will be set, in consultation with all parties, with due regard for the necessity for our having ample time for preparation.

Sincerely yours,

Harold P. Green
