Dear Sir:

Re: Docket No. 50-286  
Consolidated Edison Co. of N.Y., Inc.

It is our desire to provide a position paper in connection with the proposal to construct another nuclear reactor at Buchanan but there is a real possibility that none of our responsible officers will be present in this area at the time of the hearing.

Should this possibility become a fact may we file our paper with you either prior to or immediately after the hearing so that it might become a part of the hearing record?

We would appreciate hearing from you at the earliest possible date.

Thank you very much.

Yours very sincerely  
Federated Conservationists  
of Westchester County, Inc.
