RE: All Consolidated Edison Nuclear Plants
at Indian Point, Town of Cortlandt, New York

Gentlemen:

Please send me all notices, statements and decisions concerning the above generating facilities known as Indian Point Nos. 1-5.

Specifically, please advise whether any decisions have been rendered regarding plant No. 3's environmental review and forward applicant's statement of reasons why construction or operation should not be stopped while environmental review takes place.

Thank you for your consideration in placing me on your permanent mailing list relative to the above.

Very truly yours,

FRANKLIN G. LEHMEIER
