Dear Mr. Voigt:

I received a copy of your letter of March 2, 1973 to John F. O'Leary, Director, Directorate of Licensing, Washington, D.C. The copy of the letter provided that the enclosures, Amendment No. 28 of the Application for Licensing for Indian Point Unit No. 3, Docket 50-286, and Supplement No. 13 to the Final Facility Description and Safety Analysis Report were not included. Inasmuch as the petitions to intervene made by the Hudson River Fishermen's Association and the Save Our Stripers have been granted, I request that you send me a copy of Amendment No. 28 and Supplement No. 13. I further request that whenever additional materials are sent to the Atomic Energy Commission, that copies be served on me on behalf of both intervenors.

Thank you very much for your kind cooperation.

Very truly yours,

Nicholas A. Robinson
