Dear Mr. Karas:

I am counsel for the Hudson River Fishermen's Association and the Save Our Stripers Organization, petitioners in Docket No. 50-286 In The Matter of Consolidated Edison Company of New York, Indian Point Unit No. 3 application. Pursuant to 10 C.F.R. Section 2.712B, both organizations designated me as the counsel upon whom service of all papers should be made in their respective petitions dated November 22, 1972.

To date I have not received a copy of the applicant Consolidated Edison Company's answer to the notice published in 37 Federal Register 22816 (Volume 37, No. 206, October 25, 1972), if such was filed. Nor have I received the answers of the AEC regulatory staff to any of the other petitions to intervene which have been filed.

Please advise me if copies of these documents are available, and if they can be sent to me. Thank you very much for your kind cooperation.

Very truly yours,

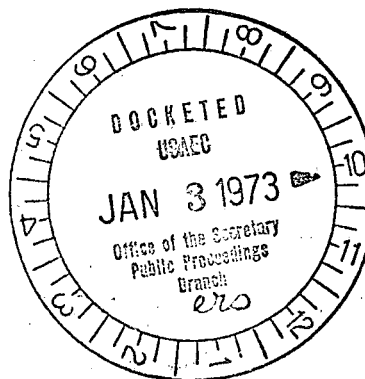

Nicholas A. Robinson
