Re: Consolidated Edison Company  
of New York, Inc.  
(Indian Point, Unit No. 3)  
Docket No. 50-286

Dear Mr. Chairman:

In response to your letter of April 17, suggesting a prehearing conference on May 21, 1973, Applicant requests that consideration be given to another date, since Applicant's annual meeting of stockholders is scheduled for May 21.

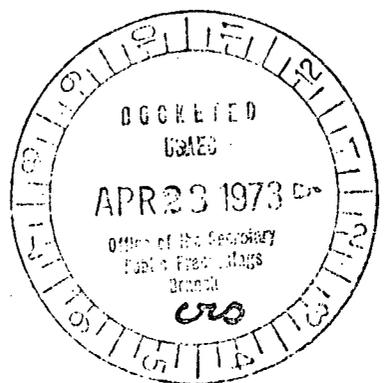

With respect to the suggested location, Applicant suggests that it would be appropriate to hold a prehearing conference in Washington, D.C., rather than in the vicinity of the plant, since the admitted intervenors do not represent interests local to the plant site.

Very truly yours,

LeBOEUF, LAMB, LEIBY & MacRAE
