(Indian Point Nuclear Generating Station, Unit No. 3)
Docket No. 50-286

Gentlemen:

I am enclosing herewith a "Stipulation Concerning Prehearing Conference Order" and a proposed order in the above-captioned proceeding. The stipulation has been signed by counsel for the applicant, regulatory staff, intervenors HRFA and SOS, Atomic Energy Council of the State of New York and the Attorney General of the State of New York.

I would note that while paragraph 2 of the stipulation relating to exchange of interrogatories or requests for documents accurately reflects the record of the prehearing conference, it was recognized, although not specifically stated at the prehearing conference, that such discovery was, of course, discovery as provided by the Commission's Rules of Procedure.
