MEMORANDUM TO: Arthur Howell, Director
Division of Nuclear Materials Safety, Region IV

FROM: Steven A. Reynolds, Director *IRA*
Division of Nuclear Materials Safety, Region III

SUBJECT: REQUEST FOR ASSIST INSPECTIONS

This is a request for your assistance during FY 2010 to conduct inspections of Region III licensees with places of use in your region. I am requesting that your staff complete the inspections outlined in the enclosure by no later than the date assigned to each licensee.

Please have your staff contact George Parker of my staff at (630) 829-9869 at least 30 days prior to the conduct of the inspection so that report numbers may be provided to your staff.

After completion of the inspection, we request that your staff forward the draft NRC Form 591's, inspection records and/or draft Notices of Violation (if appropriate) to Region III for processing within 15 days, in order to meet agency timeliness standards. If escalated enforcement is being considered, the Region III staff will coordinate with your staff in preparing a draft inspection report. Region III will issue any necessary inspection reports or Notices of Violation and will ensure that all necessary documents are entered into ADAMS.

Thank you for your assistance in this matter. If your staff has any questions, please call George Parker at (630) 829-9869.
