R. S. Boyd, Assistant Director for Reactor Projects
Division of Reactor Licensing (2)

CONSOLIDATED EDISON COMPANY (INDIAN POINT 3) DOCKET NO. 50-286

The enclosed report of the management meeting, conducted subsequent to the initial quality assurance inspection of the subject facility, is forwarded for your information.

The official position of Wedco relative to this project, Indian Point 3, is not yet defined. However, as you know, a formal submission has been made with respect to Unit 2. Our observations indicate that the existence of Wedco introduces additional quality assurance surveillance. We will continue to monitor the performance of Wedco during our inspection program.
