SUPPLEMENTARY INFORMATION:

I. Introduction

As stated previously, in response to several requests during the public comment period, the NRC is extending the Draft SEIS comment period close date from February 1, 2010, to March 3, 2010. The comment period extension is in response to public comments indicating (1) the original comment period for the Draft SEIS included multiple Federal holidays, and (2) the Draft SEIS for the Lost Creek ISR Project was published concurrently with two additional NRC Draft SEISs (the Nichols Ranch ISR Project in Campbell and Johnson Counties, Wyoming, and the Moore Ranch ISR Project in Campbell County, Wyoming).

Following the end of the public comment period, the NRC staff will publish a Final SEIS for the Lost Creek ISR Project that addresses, as appropriate, the public comments on the Draft SEIS.
