License No. CPPR-62
Inspection No. 75-24
Docket No. 50-286

Gentlemen:

This refers to the inspection conducted by Mr. G. Walton of this office on September 26, 1975 at Buchanan, New York (Indian Point 3) of activities authorized by NRC License No. CPPR-62 and to the discussions of our findings held by Mr. Walton with Dr. Silberstein of your staff at the conclusion of the inspection.

Areas examined during this inspection are described in the Office of Inspection and Enforcement Inspection Report which is enclosed with this letter. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

Within the scope of this inspection, no items of noncompliance were observed.

Information contained within the enclosed inspection report has been discussed with Dr. Silberstein of your staff by telephone on October 3, 1975. During this discussion, it was concluded that the inspection report contained no information that you considered proprietary; therefore a copy of this letter and its enclosures are being placed in the NRC's Public Document Room.

No reply to this letter is required; however, should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

for 
Robert T. Carlson, Chief
