Richard

Apparently the clinic added another doc to the letter since I wrote it. I will follow-up with Donna Makrinos, the office manager regarding this issue. Yes we need to add Dr. Choi as the RSO and for 35.500.

Thanks

Dear Mr. Marx:

I am in receipt of the letter of January 3, 2010, from Dr. Green requesting that Dr. Nero be deleted from the license and Drs. Choi and Cusack be added. I have some questions and comments that need to be addressed before I proceed.

- 1) Dr. Choi is already on the license for 35.100 and 35.200 materials. Are they requesting the addition of 35.500 materials?
- 2) I cannot find Dr. Cusack in our database. Is she already named on an NRC license? If so, please provide the license number. If not, please provide a copy of her board certificate plus a preceptor statement. Barring those, please provide a completed and signed copy of the appropriate Form 313.

Thank you very much for your help.

Sincerely,
Richard McKinley
