License No. CPPR-62
Inspection No. 50-286/74-04

Gentlemen:

This refers to the inspection conducted by Mr. Brickley of this office on February 26 - 28, 1974 at Indian Point 3 Plant, Buchanan, New York of activities authorized by AEC License No. CPPR-62 and to the discussions of our findings held by Mr. Brickley with Mr. Kohler and other members of your staff at the conclusion of the inspection, and to a subsequent telephone discussion between Mr. Brickley and Mr. Kohler on March 4, 1974.

Areas examined during this inspection are described in the Regulatory Operations Inspection Report which is enclosed with this letter. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

Within the scope of this inspection, no violations or safety items were observed.

In accordance with Section 2.790 of the AEC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the AEC's Public Document Room. If this report contains any information that you (or your contractor) believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the document. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.
