Dear Mr. Douglas:

We received your faxed letter dated December 21, 2009, regarding your request for advice “if retired marine nuclear plants would be permissible for domestic use (if adaptable).” While we recognize the nature of your request was exploratory, you did not provide sufficient information for us to understand the scope or specific aspects of such an application or use.

Thank you again for your interest. If we may be of further assistance, please inform us.

Sincerely,

/RA/
