STATEMENT OF INTENT

As Executive Vice President for Health Affairs and Dean, School of Medicine, of the University of Connecticut Health Center, I exercise express authority and responsibility to request from the University of Connecticut Board of Directors funds for decommissioning activities associated with operations authorized by U.S. Nuclear Regulatory Commission Material License No. 06-13022-02. This authority is established by "Description of Authority of Government Entity to Make Statement of Intent License Number: 06-13022-02", dated December 9, 2002. Within this authority, I intend to request that funds be made available when necessary in the amount of \$1,125,000.00 to decommission the University of Connecticut Health Center, 263 Farmington Avenue, Farmington, Connecticut and the Office of the Chief Medical Examiner located at 11 Shuttle Road, Farmington, Connecticut, as stipulated in NRC correspondence of February 15, 2005 and as published in the Federal Register, October 3, 2003. I intend to request and obtain these funds sufficiently in advance of decommissioning to prevent delay of required activities.

A copy of "Description of Authority of Government Entity to Make Statement on Intent License Number: 06-13022-02" is attached as evidence that I am authorized to represent the University of Connecticut Health Center in this transaction.
