**Subject: Remedial Work Plan – Waste Excavation and Site Restoration for the Breckenridge Disposal Site, Revision 0**

Dear Mr. Snell:

On behalf of the LePetomane III Custodial Trust, EnergySolutions is pleased to submit the Remedial Work Plan for the Waste Excavation and Site Restoration for the Breckenridge Disposal Site, Revision 0.

The Custodial Trust and EnergySolutions are committed to work with the US Nuclear Regulatory Commission (NRC) to complete this project including the submission of the Final Status Survey Report. Based on our phone call on January 20<sup>th</sup>, we trust that this attached revision is acceptable to the US NRC. Provided the US NRC concurs, please provide written confirmation and notification such that we may proceed with the planned site remediation and restoration.

If you have any further questions regarding the attached Work Plan, please let me or Mr. Michael Carr know. I may be reached at 865-425-4563 ([rhornbeck@energysolutions.com](mailto:rhornbeck@energysolutions.com)) and Mr. Carr may be reached at 865-425-4587 ([mcarr@energysolutions.com](mailto:mcarr@energysolutions.com)).

Sincerely
