**Subject:** Notice of Name Change Permit 478

Dear All,

Please find attached to this email the official notice of the upcoming name change on Permit 478 ... from the company Cogema Mining, Inc. to Uranium One USA, Inc. As I indicated in the letter, nothing else is changing ... employees, managers and officers are the same, commitments on the permit transfers are the same. The only thing changing is the name of the company that we purchased. Deanna, the amendment to the BMO letter of credit with the new company name should arrive at your office on Tuesday, February 2.

Again, I apologize for asking for this immediately after the transfer. The name change was a condition of the closing, and the urgency was literally decided at closing on Monday.

Let me know if I can provide anymore information.

Best regards,

Donna
