Re: Docket No. 50-286

Dear Mr. Knighton:

As requested in your letter of August 20, we are forwarding the New York City Harbor Survey printouts for the years 1967 and 1973. These include the stations you listed and the parameters you require.

We are also enclosing a map with the locations of the stations and their description regarding latitude and longitude.

Very truly yours,

NORMAN NASH, P.E.
Assistant Commissioner
Research Development and Training
Department of Water Resources
