Re: Indian Point 3 - Docket No. 50-286

Dear Dr. Oestmann:

Con Edison's Response to Question 26 of the last set of environmental questions asked by the AEC Staff stated that the requested data sheets would be sent to the AEC under separate cover. Accordingly, I enclose the following volumes:

- 1) Data Sheets from May 10, 1972 to December 18, 1972
- 2) Data Sheets from March 26, 1973 to July 9, 1973
- 3) Data Sheets from July 14, 1973 to December 12, 1973

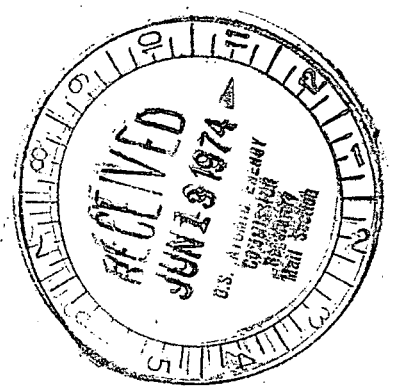

In view of the large bulk of these volumes and the fact that they consist entirely of raw data, I am furnishing only one copy and am not sending any copies to the customary distribution list.

Sincerely yours,

Edward J. Sack
