Dear Mr. Knighton:

Attached please find the following material, submitted in response to your letter dated March 5, 1973 requesting additional information about Indian Point Unit No. 3.

1. (Question II. A-2) A recent aerial photograph of the site.
2. (Question III. A.3.) A large contour map of the area within a 10-mile radius of the Indian Point site.

Dr. Mary Jane Oestmann indicated that a single copy of the above would be adequate for the Staff.

Very truly yours,
