Re: Consolidated Edison Company of New York, Inc.
Indian Point Unit No. 3
Docket No. 50-286

Dear Mr. Rogers:

As counsel for the Applicant in the above-mentioned proceeding, we are submitting herewith under separate cover and in accordance with the requirements of 10 CFR 50, Appendix D, Section C, Supplement No. 1 to Applicant's Environmental Report - Indian Point Unit No. 3.

The form of this Supplement is such that it may be added to the binders furnished with the Environmental Report filed on June 14, 1971.

We realize that the guidelines now require that 300 copies of this kind of information be filed. Unfortunately, only 150 copies are ready today. The Applicant will submit at the earliest possible date, probably before the end of this week, an additional 150 copies of Supplement No. 1 and, for your convenience, an additional 150 copies of the original Environmental Report.

Very truly yours,
