Re: AEC Docket No. 50-286
Indian Point Station, Unit No. 3

Dear Dr. Morris:

Enclosed are one hundred and fifty (150) copies of applicant's "Environmental Report - Indian Point Unit No. 3," including Appendices thereto.

In preparing this report we have been guided by Appendix D to 10 CFR Part 50 entitled "Statement of General Policy and Procedure: Implementation of the National Environmental Policy Act of 1969," (35 Fed. Reg. 18472, Dec. 4, 1970), and by "Draft Guide to the Preparation of Environmental Reports for Nuclear Power Plants," issued by the Commission for comment and interim use in February 1971.

Very truly yours,

Harry G. Woodbury
Executive Vice President
