ENVIRO - FILE

Docket No. 50-286

Mr. Harry G. Woodbury  
Consolidated Edison Company  
of New York, Inc.  
4 Irving Place  
New York, New York 10003

JUN 14 1973

Dear Mr. Woodbury:

This is to acknowledge receipt of your letter (received June 13, 1973) selecting June 28-29 as suitable dates for a meeting at Oak Ridge to discuss math models for the impact of Indian Point plant operation.

I have discussed the proposed dates with Mr. Struxness of ORNL. He has indicated that the heavy workload of the ORNL personnel that would be involved in the meeting up to and during the dates selected for the meeting, requires that the meeting be rescheduled. The present work schedule indicates that the meeting should be rescheduled to a time after August 10, 1973. This delay has been caused by unexpected schedule shifts involving the ORNL personnel that would be required for the meeting.

We would appreciate your suggestion for dates for rescheduling the meeting after August 10, 1973. Your agenda has been forwarded to ORNL.

Sincerely,

Original signed by
