New York, New York 10003

Dear Mr. Cahill:

In reference to your letter of November 8, 1972, you have submitted Supplement No. 3 to Applicant's Environmental Report containing information on thermal hydraulic model studies. These studies were outlined in the first paragraph of page A2 of the attachment to your letter of August 22, 1972.

Please advise us as to the date when you plan to submit the remaining information described on pages A2 through A4 of that attachment. A schedule for the environmental review for preparation of the staff's draft environmental statement will be established after receipt of this supplemental information.

Sincerely,

Original Signed
