

APR 3 1964

ML:IB:BWC (57829)

Heyden Newport Chemical Corporation
290 River Drive
Garfield, New Jersey

Attention: Mr. H. R. Johnson

Gentlemen:

With reference to your application dated February 25, 1964, for a byproduct material license, please specify the model number of the gas chromatography unit to be used and the model number of the detector cell containing Hydrogen 3 foil. In addition, please specify the name of the individuals who will use the gas chromatography unit containing byproduct material.

Sincerely yours,

Robert E. Brinkman
Isotopes Branch
