ENVIRON

Dear Mr. Leymaster:

Thank you for your letter of July 17, 1972, requesting copies of Environmental Impact Statements and Supplements on the following nuclear power plants:

- Millstone Point Units 1 and 2
- Indian Point Unit 3
- Haddam Neck
- Oyster Creek

The Environmental Impact Statements have not been completed on these plants. When these Statements are completed and issued, there will be sections on the Cost-Benefit analyses and radioactive waste transportation, in which you expressed interest.

Your name has been placed on the distribution list to receive copies of the Draft Environmental Statement and the Final Environmental Statement on each of the four plants that you requested.

If we can be of further assistance, please contact us.

Sincerely,

Original signed by
