Greetings: The Wisconsin Dept. of Health Services has sent the attached letter dated January 26, 2010 to Oncology Systems, Inc. Both NRC, Region III and the Illinois Division of Nuclear Safety are copied on the letter. The attached letter follows up on a Sept. 18, 2009 letter and notice of non-compliance (also attached) sent to Oncology Systems, based on violations of WI Admin. Code, Ch. DHS 157 that occurred in Wisconsin in 2009. To date, we have not received any response from Oncology Systems to the Sept. 18, 2009 letter.

Please contact either Cheryl Rogers at 608 266-8135 or cheryl.rogers@dhs.wisconsin.gov or myself with any questions.
