Subject: Call on section 3.11

Don,

We would like to have a conference call on section 3.11, EQ. I would like to propose Monday, 2/1, 11-12 am EST (10-11 CST). The call concerns possible departures which the tech review staff believes may be included in the FSAR and your RAI responses (73-2765 & 97-3705). Staff is preparing additional RAIs, but would like to discuss the topic first. Please let me know if this will work.

Bill
