Dear Mr. Shepherd:

FMRI, Inc. (FMRI) received in its bank account the annual Secondary Note Payment (\$282,000) from Fansteel Inc. (Fansteel) on January 8, 2010. Since the cure date of this payment was more than three working days following the due date, FMRI is providing this written notice of late payment in accordance with License Condition 48 of License SMB-911.

In addition, FMRI also provided a written notice on January 6, 2010, to Fansteel on the late payment. At that time, and as previously indicated by Fansteel to FMRI, Fansteel had scheduled this payment into FMRI's bank account for January 8, 2010.

If you have any questions, please call me at (918) 687-6303.

Sincerely,
