Re: Indian Point Unit No. 2
Docket No. 50-247

Director of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555
ATTN: Mr. Darrell G. Eisenhut, Director
Division of Licensing

Dear Mr. Eisenhut:

This letter is in response to Generic Letter No. 83-01 which requested an estimate of all requests for site visits to conduct operator licensing or instructor certification examinations which we plan to submit to NRC between now and December 31, 1985.

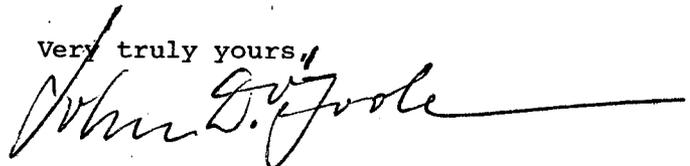

Although our plans are not firm at this time, the following schedule represents our best estimate of the number of candidates we expect to propose for certification during the interval requested.

<u>CANDIDATES</u>				
YEAR	MONTH	RO	SRO	TOTAL
1983	March	7	2	9
	November	-	5*	5
1984	February	9	9	18
	November	-	7*	7
1985	April	9	-	9
	November	-	9*	9

*Indicates upgrades to SRO

Should you or your staff have any additional questions, please contact us.

Very truly yours,

M003
