Dear Mr. O'Toole:

SUBJECT: UNESCORTED ACCESS AT THE INDIAN POINT UNIT 2 SITE FOR MS. M. SLOSSON

Recently, the Division of Licensing has adopted a goal to obtain unescorted access badges for NRC Project Managers at their assigned plant sites. Since we expect a project manager to be at the site for technical meetings and tours several times a year, such a badge would greatly facilitate matters.

By this letter, we request that your staff work with Ms. Marylee Slosson to obtain for her a badge which would allow her to pass through security check points unescorted. Ms. Slosson would be willing to take the training that is needed for such a badge. She is currently holding an "L" clearance at NRC.

Thank you for your attention to this matter.

Sincerely,

/s/SAVarga
