Subject: Response to May 27, 1987 Request for Schedule on ISI

By letter dated May 27, 1987, you requested our schedule for response to a request for additional information concerning our Second Ten-Year Interval Inservice Inspection Program Plan, originally submitted on September 30, 1985.

We have performed a detailed review of the information you requested and submit the following schedule as discussed with the NRC Project Manager. Items A through I will be submitted within about two weeks and the remaining Items J through P will be submitted as completed within about two months from the date of this letter.

If you have any questions or concerns with this schedule, please do not hesitate to contact my office.

Very truly yours,
