SUBJECT: Leak-Before-Break (LBB) submittal (TAC No. 68318)

This is in response to your letter of November 15, 1988 requesting additional information concerning our May 23, 1988 submittal to eliminate the dynamic effects of postulated primary loop pipe ruptures from the design basis of Indian Point Unit 2 using "leak-before-break" technology.

As requested in your November 15, 1988 letter, transmitted as Attachments A and B to this letter, respectively, are:

Four (4) copies of WCAP-10977, Supplement 1, "Additional Information in Support of the Technical Justification for Eliminating Large Primary Loop Pipe Rupture as the Structural Design Basis for Indian Point Unit 2" (proprietary), January, 1989.

Four (4) copies of WCAP-10976, Supplement 1, "Additional Information in Support of the Technical Justification for Eliminating Large Primary Loop Pipe Rupture as the Structural Design Basis for Indian Point Unit 2" (non-proprietary), January, 1989.

Attachment C is comprised of a Westinghouse authorization letter (CAW-89-004), a Proprietary Information Notice, and an accompanying affidavit. Since proprietary claims as to Attachment A are asserted by Westinghouse Electric Corporation, those claims are supported by an affidavit signed by Westinghouse. The affidavit sets forth the claimed basis pursuant to which information be withheld from public disclosure by the Commission, and addresses the considerations listed in 10 CFR Section 2.790(b)(4). Accordingly, it is respectfully requested that Attachment A, or in the alternative, such portions of Attachment A as the Commission determines to be protected under 10 CFR Section 2.790 as proprietary to Westinghouse, be withheld from public disclosure. Correspondence with respect to the proprietary aspects of the Application for Withholding or the supporting Westinghouse affidavit should reference CAW-89-004 and should be addressed to R. A. Wiesemann, Manager, Regulatory and Legislative Affairs, Westinghouse Electric Corporation, P.O. Box 255, Pittsburgh, Pennsylvania 15230, with a copy to the undersigned.
