SUMMARY

Upon reviewing the SSDR's for the Seaman portable gauges, I was not able to determine that Seaman Model C-75 had a corresponding SSDR. Looking through your correspondence it does not appear you are in possession of the model nor intending to purchase one.

Please withdraw authorization for the Seaman Model C-75 portable gauge.

Ensure that you sign, date, and include the control number with your document.

J.C. Webb's Response:

Mr. Webb indicated that they are not in possession of a Seaman Model C-75 portable gauge nor do they intend on purchasing one. He also stated that he will make sure to sign, date, and add control number to his correspondence. He indicated that he should be able to send response by end of today.
