Mr. Nunzio Palladino
Chairman
U.S. Nuclear Regulatory Commission
Washington, D.C. 20550

Dear Commissioner Palladino:

I forward to you my response to the Atomic Energy Safety and Licensing Board Hearings, regarding Indian Point.

You will note in my conclusion that I am inviting each Commissioner to sit in personally at our next Indian Point emergency response drill. Such an action may improve your understanding of our problems at the state and local level.

I look forward to your response.
