Proposed Operator License Examination Data Submittal

Reference: NRC Administrative Letter 99-03, Preparation and Scheduling of
Operator Licensing Examinations," dated August 20, 1999.

Dear Sir:

In accordance with the reference, the New York Power Authority (NYPA) is providing in the attached NRC Form 536 the proposed schedule for the Indian Point 3 operator licensing examinations. The estimated number of applicants planning to take those examinations and the NRC's generic fundamentals examinations (GFEs) is included. NYPA is currently evaluating the need for additional examinations in CY 2000 or CY 2001. Because this is preliminary, it is not reflected on the attached Form 536.

NYPA is making no new commitments in this submittal.

If you have any questions regarding this submittal, please contact Robert Christman at (914) 788-2904.

Very truly yours,
