Dear Mr. Gudebski:

This letter is in follow-up to a telephone conversation between Mr. Richard Granberg of MPI and I on January 20, 2010, in which Mr. Granberg requested that we return a Letter of Credit (LOC), dated October 7, 2009.

Based on that conversation, it is our understanding that MPI has decided to withdraw this LOC which was issued by the Bank of America, and request that the U. S. Nuclear Regulatory Commission (NRC) continue its review of the renewal of a LOC dated September 5, 2008, issued by National City. The renewal of the National City LOC amends the dollar value of the current LOC that NRC currently holds for MPI from 150,000 dollars to 225,000 dollars.

Therefore, as requested by Mr. Granberg, please find enclosed LOC dated October 7, 2009. We will continue our review of the renewed LOC from National City in the amount of 225,000 dollars.

If you have any questions, please contact Kevin G. Null of my staff at (630) 829-9854.

Sincerely,

/RA/
