Subject: Second Quarter Fiscal Year 2010 NRC/CNWRA Local Area Network and Wide Area Network Plan of Actions and Milestones Update and Vulnerability Scanning Results—Letter Report (IM 14002.01.016.010)

Dear Mrs. DeMarco:

This letter documents completion of the subject milestone. As in the past, the actual documents (updated vulnerability scanning results) have been transmitted separately by e-mail. An updated Plan of Actions and Milestones (POAM) is not being submitted since there are no current deficiencies and no changes have occurred since the last submittal.

All POAM deficiencies have been corrected. The following table is provided to help you assess deficiency correction progress.

	Items Closed At Last Report	Items Closed By This Report	Moved to Waiver List	Items Remaining	Total
High Risk	15	0	0	0	15
Medium Risk	46	0	0	0	46
Total	51	0	0	0	61

February 5, 2010

During this reporting period substantial progress was made toward implementing secure remote access to the CNWRA LAN/WAN.

Please contact me at (210) 522-5054 if you have any questions regarding these reports.

Sincerely yours,

Pat Mackin
Director of Administration
