Mr. Stephen Bram  
Vice President - Nuclear Power  
Consolidated Edison Company of  
New York, Inc.  
Indian Point Station  
Broadway and Bleakley Avenue  
Buchanan, New York 10511

Dear Mr. Bram:

The U.S. Nuclear Regulatory Commission recently received information concerning activities at the Indian Point Unit 2. Details are enclosed for your review and followup.

It is our understanding that you have already initiated a review of this information by an outside office. We request that you promptly apprise the NRC of any safety significant findings from the audit, and provide the results of your review and disposition of this matter to Region I within 30 days of the date of this letter. We request that your response contain no personal privacy, proprietary, or safeguards information so it can be released to the public and placed in the NRC Public Document Room. If necessary, such information shall be contained in a separate attachment, appropriately marked, which will be withheld from public disclosure. The affidavit required by 10 CFR 2.790(b) must accompany your response if proprietary information is included.

The enclosure to this letter should be controlled and distribution limited to personnel with a "need-to-know." The enclosure to this letter is considered Exempt from Public Disclosure in accordance with Title 10 Code of Federal Regulations, Part 2.790(a). However, a copy of this letter, excluding the enclosure, will be placed in the NRC Public Document Room.

The response requested by this letter and the accompanying enclosure are not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, Pub. L. 96-511.

If you have any questions concerning this request, please contact Mr. Larry Nicholson at (610) 337-5128.
