SUBJECT: Request for Additional Information Response on
Individual Plant Examination

Your request, dated April 26, 1995, for additional information regarding our Individual Plant Examination dated August 12, 1992, requested a schedule for response. Based on our examination of the additional information request and Probabilistic Safety Assessment personnel and resource commitments related to our ongoing IPEEE effort and support of plant applications, including implementation of the Maintenance Rule, we anticipate submittal of the additional information requested by October 31, 1995. We will inform you of any change in this schedule.

Should you have any questions regarding this matter, please contact Mr. Charles W. Jackson, Manager, Nuclear Safety and Licensing.

Very truly yours,
