Re: Amendment to License Number 37-28531-01

Dear Licensing Team:

Jeff Zell Consultants, Inc. requests the United States Nuclear Regulatory Commission (USNRC) grant an amendment to specific license number 37-28531-01. The only requested change at this time is the naming of William Gross as Radiation Safety Officer. I am a qualified Jeff Zell Consultants, Inc. employee that has successfully completed the required training course as described in NUREG 1556, Vol. 1. A copy my training certificate is attached.

I have the full support of Jeff Zell Consultants, Inc. management to oversee the program and given the resources necessary to ensure regulatory compliance. Any questions should be forwarded to Mr. Scott Antosh, General Manager at this office.

Sincerely,
Jeff Zell Consultants, Inc.
