Dear Mr. Bettenhausen:

Based on a conversation between Mr. D'Antonio of your staff and Mr. Katz of my staff that occurred on June 21, 1993, this letter is being submitted as a formal request for waiver of the time on shift at greater than 20% power for several of our candidates. The inability to meet the required control room time was due to the unscheduled shutdown that occurred at our facility on February 27, 1993. The candidates requiring waivers are listed below with their respective time in the control room at greater than 20% power.

<u>Candidate</u>	<u>CR Time > 20% Power</u>
John Wheeler (Instant SRO)	26 days
Marie Gillman (Instant SRO)	29 days
Mark Caskey (SRO Upgrade)	22 days
William Schmidt (RO)	25 days
William Moore (RO)	28 days
Scott Abercrombie (RO)	29 days
