Good Morning Gina

The staff has a question about an exception that is listed in Chapter 1 of the North Anna FSAR. It is listed on pages 1-120 through 121.

The question is regarding an exception taken under **NAPS COL 1.9-3-A Table 1.9-202 Conformance with Regulatory Guides Reg. Guide 5.44-Perimeter Intrusion Alarm Systems-C.1.1(1)**

In particular, the staff is trying to understand why the exception was taken and why it is not under 73.5 / 73.55 (r).

Please give me a call next week so that we can discuss a path forward for resolving the staff's concerns. The reviewer is available on Monday and Tuesday of next week.

Let me know if you have any questions.

Thanks

Janelle

God makes three requests of his children: Do the best you can, where you are, with what you have, now. Do not worry about tomorrow; for tomorrow will care for itself. Each day has enough trouble of its own.
