Hello Everyone,

We are still in need of the addresses of those that will be accessing the reading room for the Geotechnical RAI responses. Please, provide the email addresses as soon as possible so that access may be made available. Please, let me know if you have any questions.

Hi Jerry,

Yes, it can wait but it will be needed to access some of the information for the RAI responses being submitted.

Happy Holidays!

SubjectReading Room Access

LaShawn,

With a lot of the staff on vacation, I'm not sure anyone has responded to your request for a list of persons to have access to the reading room. Can we revisit this next week?
