Re: Amendment modification to letter dated January 29, 2010.

In a letter dated January 29, 2010, Capital Region Medical Center, license 24-12699-01, requested Raleigh F. Johnson, III, M.D. be added as an authorized user for Materials and Use in 10 CFR 35.100, 35.200 and 35.500.

We ask that you omit adding him as an authorized user for 35.500. This was an error. Capital Region Medical Center, license 24-12699-01 no longer has license approval for possession of materials and use for 35.500 and we do not wish to apply for this use.

Thank you for your assistance in this matter. If you need any additional information do not hesitate to contact Ron Thompson, Supervisor of Nuclear Medicine, at (573)632-5286.

Sincerely,

Janet Weckenborg, VP Operations
