Discussion

Pursuant to References 1 and 2, USEC hereby nominates Mr. Darren E. Mays as “reviewing official” in place of Mr. David D. Willis, Sr. (approved by Reference 3). Enclosure 1 submits the active federal clearance verification sheet for the nominated “reviewing official” in lieu of fingerprint cards as evidence that the background investigation requirements have been satisfied. Accordingly, following approval of this change, USEC’s two reviewing officials will be Ms. Angela L. Wright (approved by Reference 4) and Mr. Darren E. Mays.

Enclosure 1 contains USEC Proprietary Information and Security-Related Information; therefore, USEC requests that this enclosure be withheld from public disclosure pursuant to 10 *Code of Federal Regulations* 2.390(d)(1). In addition, Enclosure 1 has been determined, in accordance with the guidance provided by U.S. Department of Energy, to contain Official Use Only information.

Action

USEC requests NRC review and approval of this nominated “reviewing official” at your earliest convenience.
