Greetings everyone,

Press Release Feb. 24, 2010

Re: Nuclear Regulatory Commission (NRC) denies request of Island residents for a hearing challenging the Army's request for a license to possess DU radiation
 further contact: Amelia Gora, a Royal person e-mail: hawaiianhistory@gmail.com

Amelia Gora, one of Kamehameha's descendants, a descendant of Kauikeaouli/ Kamehameha III's hanai/foster child(ren) named Peke Davis and Grace Kamaikui, a descendant of Princess Poomaikelani, et. als. hereby reaffirms that the entity State of Hawaii formerly known as the Territory of Hawaii, and formerly known as the Republic of Hawaii, and conjured up from the entity Provisional government are NOT the owners of the Crown Lands, criminally claimed as the ceded lands.

The failure to properly obtain permission/leases from the true owners has not been made, instead the ongoing criminal maneuvers to claim leases from a U.S. created entity is a fraud, a malicious criminal move to continue to muck up our formerly healthy, safe environment with DU/depleted uranium.

EVICTON Notices have been made and served to the U.S. President, et. als.

You are hereby instructed to cease and desist from utilizing such radiation, uranium, toxins on OUR family properties.

As a member of the Royal Families in our Hawaiian Islands, this message is being sent with the approval of our Royal Families through service as one of the owners of the Crown Lands wrongfully claimed as "ceded lands" by conspirators/Pirates/treasonous persons who acted alongside the U.S. with premeditation documented since 1878 as recorded for the World to see.

I, Amelia Gora, also operate as the Acting Liaison of Foreign Affairs of the Kingdom of Hawaii/ Hawaiian Kingdom/Hawaiian Islands/Hawaiian archipelago/He Moku Puni Pae Aina o Hawaii.

DU/depleted uranium, uranium, radiation use on our families properties are not acceptable. The U.S. created entities State of Hawaii aka's are not related to our families, for we are bloodline descendants of the documented King, Kamehameha the person who founded the Monarchy government in 1817, and descendants of people present for nearly 3,000 years.

Cease and desist. EVICTON Notices and documented for the U.S. military out of our peaceful, neutral, non-violent nation has been served. Expectations of the move off our family properties is expected by the end of 2010, specifically December 2010.

No use of weaponry of any kind is acceptable.

Kindly dismiss your intended moves to support arms in a peaceful, neutral, non-violent nation.

See www.maoliworld.com for issues, discussions affecting everyone in our Hawaiian archipelago today. See posts by Amelia Gora for your added information:

fyi Be aware of the Summary:

SUMMARY

The intent of the AKAKA Bill was to negate the Public Law 103-150 - Apology Law signed by former U.S. President William Clinton; however, it remains as an admission of crimes against a peaceful, neutral non-violent nation known as the Kingdom of Hawaii/Hawaiian Kingdom/Hawaiian Islands/Hawaiian archipelago/He Moku Puni Pae Aina o Hawaii.

The mere passage of the AKAKA Bill cannot negate the truth.

As Professor Williamson Chang put it:

“Hawaii and the United States were separate and independent nations prior to July 7, 1898. This Court may take judicial notice of that fact. No act of Congress, no Act of the Congress of the United States, no act of any Congress in the world can, without more, result in the incorporation of the territory of another nation.”

“No nation has that power (to annex) and no nation ever will have that power. Equally true, no nation can suffer the loss of its lands by “joint resolution.” “It is simply an illegal act – it is an impossible act.” Lastly, in Reference (2): The issue of terminating “the jurisdiction of the state court” is possible.

Illegal issuance of bills such as the AKAKA Bill which is beyond the jurisdiction of the U.S. government, it's Congress, and employees outside of the 3-12 miles range from the contiguous U.S. is illegal.

The continued failure of maintaining the health, safety of Americans/U.S. citizens, foreigners, aboriginal Hawaiians/kanaka maoli /Hawaiian Nationals in our Hawaiian Islands by the belligerent, unwelcomed occupiers through the use of toxins, poisons, GMO's/genetically modified organics, nuclear, atomic, radioactive wastes, including DU/depleted uranium, agent orange, nerve gas, etc. is not O.K.

Since the passage of Public Law 103-150 - the Apology Law signed by former U.S. President Clinton in 1993, there has been multiple efforts made by many aboriginal Hawaiians/kanaka maoli/Hawaiian Nationals to resume our nations government activities including the active moves by our families, descendants and heirs of Kamehameha, and descendants of Princess Poomaikelani, et. als. since the filing of one of the many letters,

legal notices, deliveries of letters to the U.S. government via Certified mailings, as well as foreign governments since 1995.

It can also be said and documents have been recorded by many researchers, descendants/heirs prior to the Public Law 103-150 (1993) period that is well documented in court cases, etc. over time.

Oppositions have also been documented since 1893 by our Queen, 1897-1898 by our Queen's subjects, families, friends, supporters numbering 30,000+, etc.

As bluntly posted at a newspaper forum:

Know this:

- 1) The U.S. Premeditated the assumption of a neutral friendly non-violent nation.
 - 2) Documented evidence of conspiracies discovered.
 - 3) The U.S., a brokeass bankrupt nation sent a representative to ask for loans and they would not be able to pay back for thousands of years, and only a piddling amount would have been paid as interest. Our House of Nobles denied the request for the brokeass nation request.
- If you didn't notice, anyone who loaned the U.S. money was plundered upon....German Jews expecting 10% interest....there's no evidence of such repayment made but the German's were warred with.
- 4) Queen Liliuokalani was under duress. Duress says it all.
 - 5) The Royal families exist in Hawaii and elsewhere.
 - 6) Face the facts that our archipelago has private owners.
 - 7) Face the facts that the U.S. President Harrison blocked the passage of the bill approved by both House and Senate to prosecute crimes on the high seas.....the issue hidden was PIRACY(IES) ON THE HIGH SEAS..... The President used his executive order/privilege, a tradition - not lawful move to cast away the intent of 200+ members of Congress on January 31, 1893.

There's more.....

Face up to the TRUTH.

aloha.

p.s. ramifications are ongoing.....

Let the Truth be known to everyone around the World.

Re: Nuclear Regulatory Commission (NRC) denies request of Island residents for a hearing challenging the Army's request for a license to possess DU radiation

further contact: Jim Albertini 966-7622

Jim Albertini, one of four Hawaii residents challenging the Army's request for a license to possess Depleted uranium (DU) radiation at Pohakuloa Training Area (PTA) and Schofield Barracks said "the NRC's order denying us a hearing is not surprising. The NRC has never denied a license request. The NRC appears to be a rubber stamp for the military and the nuclear industry, much like the so-called Bank regulators are a rubber stamp for the Wall St. Banksters ongoing criminal enterprise. The deck is stacked against the citizen and taxpayer in challenging policies that favor special interests. The heart of the issues are ignored and the case is reduced to using procedural legal technicalities to deny citizens their rights and their voice. Legal bureaucrats in Rockville, Maryland , paid with our tax dollars, have determined that we who live here in Hawaii have no standing to challenging the military poisoning our island home with radiation. What kind of justice, freedom and democracy is that?"

Albertini said "In plain language a military license to possess DU in the heart of our island is a license for a nuclear waste dump. The state of Hawaii (BLNR) that leases land to the military on its 133,000 acre PTA base for 65 years for a total of \$1.00 should cancel the lease. We need to malama the aina not abuse it."
